ICETRO
America

A SIMPLY DESIGNED ICE MAKER THAT WILL CHANGE YOUR OPINION ON ICE MAKER RELIABILITY.

www.icetroamerica.com

If you ❤️ your Ice... It's time to ❤️ your Ice Machine!

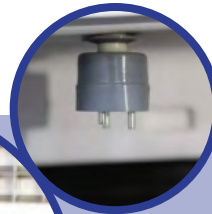

IM FEATURES. and BENEFITS.

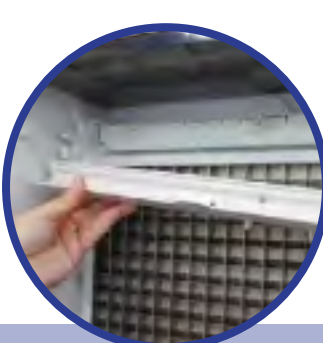

ICETRO America has gone “back-to-the-basics” with ingenuity. ICETRO has focused on effortless, both in operation, reduced cleaning cost as well as in troubleshooting and repair. All this, at an affordable price point that won’t freeze your bank account.

- 304 Stainless Steel Exterior built for durability & rust resistance
- Cleaning switch, for auto cleaning cycle

- Float switch and water inlet helps to prevent water loss

- Water Distribution tube and Water Sump can be removed without tools making maintenance simple

- ABS Antimicrobial interior to reduce slime/mold build up and cleaning costs
- Evaporator section reduced air zone to impede airborne bacteria
- Adjustable Flush - Reducing scale formation and cleaning costs
- Simple diagnostic panel to make service and maintenance easier

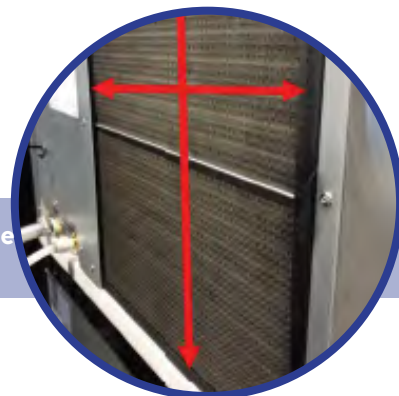

We have been in business since 1982, and have sold over 1 million units since year 2000 in over 80 countries across the world. With our experience and expertise in dealing with some of the worlds most difficult environments, we build one of the finest ice makers in the world! If you're looking for simple but advanced design along with industry leading dependability, ICETRO America will give you the peace of mind that you need and deserve!

- Heavy duty water curtain, pins and hangers that improve overall durability

- Hinged front door/panel for easy access
- Magnetic framed cleanable condenser air filters

- All ICETRO ice makers are quality tested for 3 cycles before releasing to insure reliability

- Sides and top vents for increased ventilation and air movement
- No screws on side or back panels for easy access

- Reliability, Longevity and Simplicity proven in the world's most difficult environments
